The Gospel and Human Unbelief

Romans 9 – 11

Question: **Why was Israel set aside? Has God's saving purpose toward the Jewish nation failed?**
Answer: **No. Why?**

I. Because God's sovereign purpose in election will be accomplished (9:6-24).

II. Because God will be faithful in saving many Gentiles (9:25-29).

III. Because Israel failed to believe the gospel (9:30-10:21).

IV. Because Israel's rejection has not been total (11:1).

V. Because God has always accomplished His saving purposes through a remnant (11:2-10).

VI. Because the salvation of Gentiles is designed to provoke Israel to envy and as a result, some Jews are being saved (Rom. 11:11-24).

VII. Because Israel's future restoration is assured (11:25-32).
