

## OUR MISSION OF DESIRABLE BLESSING (Psalm 67)

Psalm 1 is background: “Blessed is the man,” means “desirable” or “enviable” (in a good sense) is the life of the person.” Those who love and obey God’s Word will lead stable and blessed lives that others want.

I. THE BLESSING: God Bless us for a reason (vv. 1-2 and 6).

II. THE GOAL: All the Peoples Praise God (v. 3 & 5).

III. THE EXPLANATION: All should fear God (7) and sing for joy (4).

Message Summary: God blesses us so that we can tell the world of His greatness and show the world His blessing upon our lives. In addition to our verbal witness, we are to be enviable and lead lives that are desirable before our unsaved family, friends and neighbors. If we will do this, the unsaved will come to fear God and in God’s time, all the peoples will be glad and sing for joy.
