

God Keeps His Word

Romans 9:24-29

Introduction

- Who fitted the vessels of wrath for destruction (9:22)?
- What does “make known the riches of His glory” mean (9:23)?
- What question does the apostle Paul continue to answer in 9:24-29?

I. Vessels of mercy are effectually called by God’s grace (v. 24).

- What were we before we were called?

II. Vessels of wrath are made vessels of mercy by the sovereign grace of God (vv. 25-26).

- Unbelief does not have to be terminal.
- Conversion of Jews now is a forecast of the future conversion of “all Israel” (11:26).

III. Vessels of mercy are a remnant within the sea of the vessels of wrath (vv. 27-29).

- What does it mean that “many are called but few are chosen” (Matt. 22:14)?
- What do we all deserve?

How should we then live?
